PLAYBOY'S

Celebrating **CENTERFOLDS**

Birthdays are supposed to be special. For some, their favorite very personal anniversary happened when mom and dad splurged for a magician and a clown who made balloon animals. For others, it was that oh-so-sweet sweet 16, when they

could finally hit the open road solo. And for still others, the biggest birthday blast came at 21, when it was at last OK to go bar-hopping without fear of getting hassled by the Man. For our third sexy installment of *Celebrating Centerfolds*, in which we feature a bevy of beauties in their birthday suits born in August, September and October, we thought it might be fun to track down a few Playmates to find out about their best birthday. Born on September 19, voluptuous Victoria Silvstedt, 1997's Playmate of the Year, says the best birthday she ever had was when she was 12 and still living in Sweden. "I'll never forget it," she coos. "That was when I got my first pony from my daddy. It was wonderful." Daphneé Duplaix, Miss July '97, says her favorite was definitely when she turned 21. "Of course I partied all night with my friends and we had a total blast," recalls Daphneé, who was born on August 18. "But turning 21 also marked the point when I moved to L.A. and started my acting career. And it's been just great." Some Centerfolds have had the wonderful opportunity to celebrate their birthday at the Mansion. Just before she turned 29, Candy Loving, Playboy's 25th Anniversary Playmate, was living in Oklahoma after having been in L.A. for several years. For her birthday she decided to visit California, and when she rang up the Mansion to see if she, her sister and her best friend could stop by, Hef not only welcomed them, he threw a party on Candy's special day, September 4. "It was the perfect birthday party," gushes Candy. Jo Collins, 1965's Playmate of the Year, may have roughed it when she entertained the troops in Vietnam, but that doesn't mean she doesn't appreciate the glamorous life. She says her 33rd birthday was all about glitz and glamour. "It was at the height of the disco era," says Jo, who came into the world on August 5. "The party was so decadent. We had guys painted in gold sitting on the tables, surrounded with food. Studio 54 had absolutely nothing on this party. And the best part was that my birthday gift was a white Jaguar. How could you ever forget a birthday like that?" When asked if she had a favorite birthday, Miss July '96, Angel Boris, who was born on August 2, says, "Oh absolutely. On my twenty-second birthday my boyfriend and I left for Europe. I'd never been before and I remember sitting in the airport thinking that this was the best birthday present ever. We went to 23 cities in seven countries. It was amazing." Our cover girl, Miss October '97, Layla Roberts, says her best birthday was last year when she turned 24 on October 22. "I threw a disco party for myself in L.A.," she says. "Hef came, James Woods was there and there were a ton

of Playmates. It was an amazing party, but when Sylvester Stallone walked in, I said, that's it, my party rules." The moral of Layla's birthday story—if you want a party done right, do it yourself.

HARD AT WORK

The workaday world can be exciting—when the workers are Playmates! You'll feel the heat as a luscious laborer cools down by taking off her hard hat and her uniform. Then you'll join the awed onlookers as two construction girls put down their tools and work on each other. They're just a few of the hard-working, hard-bodied beauties you'll encounter in *Playboy's Blue Collar Babes*. Full nudity. Approx. 50 min.

LETTERS OF THE MONTH

I'm not exactly sure what to say. My husband gets your *Lingerie* magazine once in a while, along with some of your other special issues. I finally got him to admit it wasn't for the reading, since there really isn't anything to read. Not that I object or anything like that. I guess a little looking never hurt anyone. Anyway, ever since he got the July/August *Book of Lingerie* he's been ranting about how beautiful Christi Taylor is and about the first picture of her, just inside the cover. I took a look for myself when he wasn't there. All I can say is wow, I wish I looked like that! ...K.C.

Yes! Christi Taylor is the Supermodel of the year. When I saw her beautiful smiling face on the cover I was overjoyed. In my opinion she is the most beautiful woman on the face of the planet. I will vote for Christi every year for the rest of my life. ...M.V.

My husband and eYe really enjoyed seeing Angelique Van Deene in an issue of *PLAYBOY* not long ago. This month we saw her again in *Girls of Summer*. Thanks for a fabulous magazine. eYe was skeptical at first, but now eYe anticipate the magazine's arrival more than my husband. If it's there before he gets home eYe don't wait on him to enjoy it. ...Katie

I love what you people are publishing—the Newsstand Specials. *PLAYBOY* is a different kind of medium, so I accept written words there, and lots of them. But your NSS are different, and I would like to thank you for avoiding yappy pages full of words and blabbering advertisements. The NSS rescue me from all the loud, crass-for-the-sake-of-crass (as if every horny guy has something to prove—I personally don't) men's magazines. You have taste. I buy taste. ...stohfer@

I recently purchased *Hardbodies* and it was fantastic! I'd love to see more of Ayla Di Pietro. She is hot! I hope to see more of her soon. ...J.L.
